

BARNACLE 1992

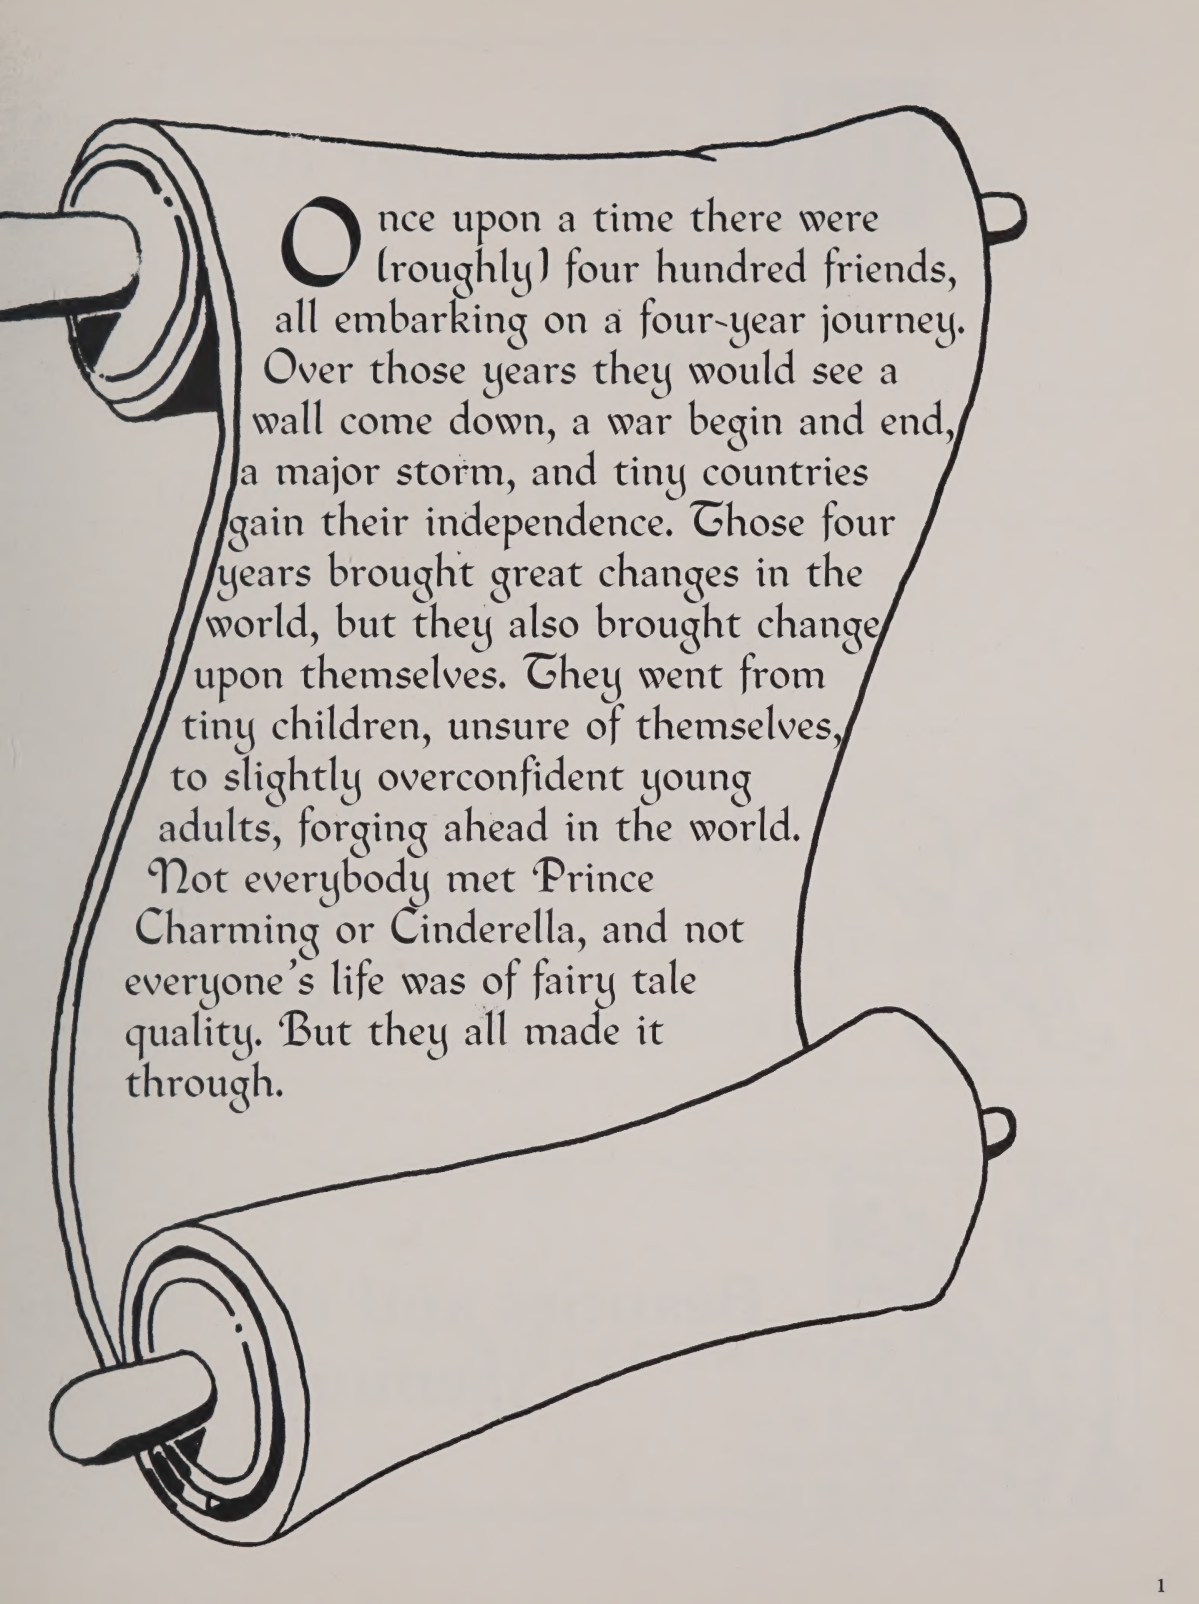

A hand-drawn illustration of a scroll. The scroll is unrolled, showing text. It has a wooden handle on the left and a small ring on the right. The text is written in a serif font. The scroll is slightly curved, and the text is centered on the unrolled portion.

Once upon a time there were (roughly) four hundred friends, all embarking on a four-year journey. Over those years they would see a wall come down, a war begin and end, a major storm, and tiny countries gain their independence. Those four years brought great changes in the world, but they also brought change upon themselves. They went from tiny children, unsure of themselves, to slightly overconfident young adults, forging ahead in the world. Not everybody met Prince Charming or Cinderella, and not everyone's life was of fairy tale quality. But they all made it through.

## In Memory of Patricia L. Duffy

"She was very vibrant, warm, intelligent, attractive, stylish, and Irish. She loved life, and was extremely interested in helping young people," said Dot Sullivan of her friend and past work associate, Ms. Patricia L. Duffy, 57, who died September 7, 1991 at her home of cancer.

Ms. Duffy, a nationally recognized consultant, speaker and author in the field of career education, was born in Boston and grew up in Whitefield, New Hampshire. She later received a master's degree in education from Plymouth State College. Ms. Duffy worked at B.H.S. as the director of the Barnstable Instructional Career Education Project, which attempted to familiarize students with careers.

"She was a very energetic, warm-hearted person who threw herself thoroughly into the school," said Barnstable English teacher Michael Carlon of Ms. Duffy.

"Pat was an enthusiastic, caring person," agreed librarian Bob Geary. "She dedicated her life to students and teachers across the country. We shall not see her like again."

English teacher Mabel Bendikson concluded that "Pat Duffy knew how to love people — and that is an art. She made her friends feel special."

Ms. Duffy — we shall all remember the time and the love that you gave Barnstable High School. Thank you.

## In Memory of Robert John Aittaniemi

"He was a hard-working man — came to work on time, and did everything that was asked of him," said Vice Principal Richard Graves of his friend, Mr. Robert John Aittaniemi, 53, who died May 25, 1991 after a brief battle with cancer.

Mr. Aittaniemi, a former lieutenant in the West Barnstable Fire Department and fifteen year B.H.S. maintenance engineer, attended the Barnstable schools as a child and was a lifelong resident of West Barnstable.

"All his spare time was spent fishing and hunting," said his close family friend and work associate, Mr. Richard Frazier, the high school's head custodian. "He loved to go to the target range. He was the real outdoors type."

"Bob was a real family-oriented man," added his wife, Marjorie Aittaniemi. "He had grown up in a neighborhood that past generations of Aittaniemis had also grown up in, and the family had become a big part of his life."

After fifteen years with the Barnstable schools, Mr. Aittaniemi leaves behind not only loved family members, but many friends made while at work. Bob Aittaniemi will always be remembered as one of Barnstable's most loyal and efficient employees.

## MICHAEL McGONIGLE

It's not right that you left; we all thought you would be with us forever. I thought we were invincible, immune from everything as we breathed in the sweet summer. Nothing could hurt us.

Then the cold came, stole our warm breath and left us frigid with fear of the future without you. Our lives have just started and we must say with a running tear . . . goodbye to the smile and forgiving spirit of a cherished friend.

Love,

Mike, Jim, Steve, Nate, Kristen, Sarah, Katie, and everyone else who knew and loved Michael McGonigle.

Friends are Treasures. (Tomo wa Takara nari.)

Hi Guys!  
I came to BHS as a Rotary Exchange Student from Japan in the summer of 1991. I love it here. At this point I really am enjoying myself and know that I will miss BHS' teachers and my friends when the day comes that I must go home to Japan. I am discovering a different culture and making many friends. I'll tell my Japanese friends what I have experienced here. I will never forget you.

Thanks a lot!

P.S. I would like to come and see you again.

"The best things in life are expensive"

Well we made it! The day that couldn't come fast enough has arrived. To the class of "92", it's a big world out there, so dive in headfirst and don't look back. I'd like to wish the class of "92" all the luck in the world. May we all reach our goals and become incredibly rich. I'd like to also thank my family for all their support. Party hard and live longer. See you all in 10 years!

A person is like a book. Never judge it by the cover, but by what's contained on the pages inside.

I want to extend my thanks to my friends, for making my high school years fun and, to say the least, interesting. Thanx to Ron (Ratspit) Ricci, Phil, Andy, Mike the skater, Mike the walking brain cell, Eric C., and all the rest, and to C.Harris: "... No, I'm negative", you know what I mean. Even though I ship out on Sept. 7 for Parris Island, I hope to make this summer an eventful one, and not just hanging around Spiritus all the time. After this year, I probably won't see too many of my friends again, so I just want to wish everybody the best of luck in their future careers, and I will remember always these past four years.

"Always spend a penny as if you were spending a dollar and always spend a dollar as if you were spending a wounded eagle and always spend a wounded eagle as if you were spending the sky itself." — R. Brautigan

I saw thousands of pumpkins last night come floating in on the tide, bumping up against the rocks and rolling up on the beaches; it must be Halloween at sea. Brought to my present state of mind thanks to: Emily, Jon Elkus, Nick, RB, and the rest. Alone on the highway late at night. Searching for exit signs. The moonlight cast a negative shadow on the steel sign boards. I could've sworn the sign said "Exit 35". I had no clue it said: "Enlightenment-1/2 mile". I drove off the edge of the world after paying the toll. Do what thou wilt ...

It all went by too quickly. It seems that only yesterday I was a freshman entering the school. Now, looking at the new freshman, I can see a distinct change in all my classmates. I will always remember all my friends and the great times that we shared. Kneeboarding, Boating-Vineyard, Hanging out, Jay's van, Getting up at 4:30 for A.M. crew, Working at D.W.I. and Y.M.A.W.L., Hey Jay — "Is this town way to water?". The experiences that I've had will be with me always and have given me greater knowledge. Lastly, thank you Mom, Dad and Alicia for helping me through it all. I Love You!

I'm going to hold phantasmagoria in the palm of my hand and live in Wally World, riding through. As I go I see many colors, many candies. HOMECOMING 1992 was a time of great spirit and class camaraderie. Although the Red Raiders lost to Bridgewater-Raynham, they played an exceptional game and displayed true poise on the field. Like their gridiron counterparts, B.H.S. students demonstrated more school spirit at the annual Homecoming dance. The student body beamed with team pride. Senior Jessie Smith summed up the whole week this way: "This year (during Homecoming), everyone really got into all the activities and had so much fun. This is how Homecoming should be every year!"

## SPIRIT WEEK

Spirit Week at Barnstable has become a highly anticipated event for both students and staff. Spirit Week is a week-long event aimed at enhancing school spirit and class unity. The four classes participate in different events each day hoping to gain points for their class. At the end of the week the class with the most points is the winner of Spirit Week and receives a trophy.

This year's Spirit Week proved to be both fun and competitive for all the classes. With the defending champions, the Class of '92, falling behind the Class of '94 early in the week, it proved to be one of the most exciting Spirit Weeks ever.

Finally the senior class prevailed over all the others and went on to win the trophy and the recognition of being the only class to win Spirit Week three years in a row!

The Student Advisory Board this year was comprised of three juniors and two seniors and was headed by Assistant Principal Mr. Graves. Wanting to break away from previously lackadaisical Boards, Mr. Graves quickly started the ball rolling with chairperson Gunnar Gode and secretary Ajna Pisani. This year's group had to tackle numerous problems, namely the issue of whether condoms should be distributed in school. During the monthly meetings with Superintendent of Schools, Dr. Edward Tynan, the board gave their insights to the school committee and the help was well received. As a whole, the school committee welcomed the enthusiasm demonstrated by the entire Board.

## BARNSTABLE CREW

After a successful spring season in which they became the top ranked public school crew in Massachusetts, the Barnstable Crew passed a rather uneventful fall. Though no races were run, the crews continued to practice hard on and off the water under the direction of coaches Rick Porteus, Todd Kennelly, and newcomer Kim Dwyer. The men's crew spent much of their time repairing storm damage done to one of the vintage shells, and all rowers participated in various fundraising events which will, they hope, result in the purchase of a new shell for the spring '92 season.

# GYMNAS

Chrissy McCutcheon, Megan Hickey, Page Pina, Lindsay Smith, Kim Slack, Melissa McDonald, Mandy Ebersold, Tony Washington, Kristen Police, Brenda Anderton, Kristen Pierce

Although Gymnastics is not a well known winter sport, the team has been quite successful. Captains Kristen Pierce, who leads the team, and Kristen Police provided the squad's experience.

For the first time the team was joined by some male gymnasts, who contributed greatly to the team's solid record.

Caitlin Dillon and Chrissy McCutcheon are two of the younger gymnasts who hope to keep the team strong for the 1992-93 season, and continue the fine tradition set by Co-Captains Pierce and Police.

Although Kristen Pierce was injured for a while, she managed to come back and become an all-star in the O.C.L. division.

This year's ice hockey team has had a tough act to follow but has progressed considerably in the shadow of last year's Division One State Championship team.

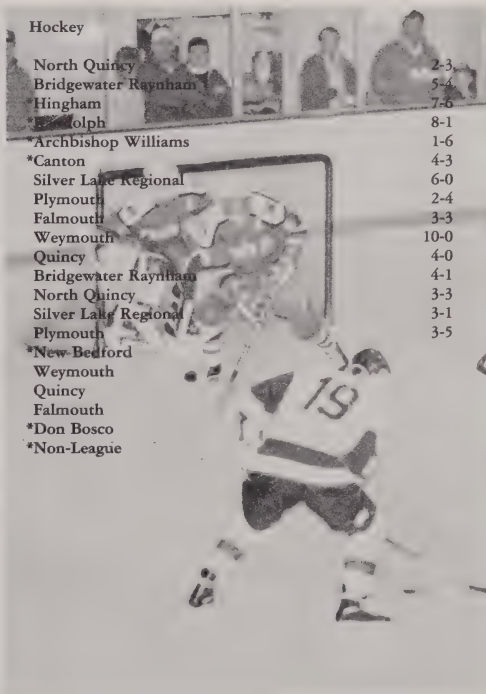

Coach Melchiono began this season with a simple goal: "Every day a little better." Melchiono explains, "This year's team is young and lacks experience. It will just take time to overcome." The team has only been working together for a short time and is doing much better than was anticipated. "There is still much room for improvement, though," adds Melchiono.

Senior Captains Dan Kelley and Jeremy Jackson are having outstanding seasons and have helped to lead the team. Brian Donovan, who was recruited late, has been a major contributor along with senior Neil Radford, who has been successful in pulling the team together.

The entire team is gaining in many areas and showing signs of success. "I was looking forward to this year," states Coach Melchiono, "It's fun to build a team up again." With his record of success, that building program shouldn't take too long.

The 1991 Barnstable Red Raiders had a large hurdle to overcome in order to accomplish their goals of finishing with a winning record and proving themselves to those who doubted their ability. "We're very young and inexperienced and we lack a significant number of seniors who have played a great deal of time," stated Coach Demanche before the season started.

After a rocky start, the team made a strong comeback and proved themselves when they slammed Silver Lake Regional 28-0 and ruined their homecoming events. The team's defensive line became a major strength that contributed to the overall success of the season. The defense effectively controlled opposing offensive lines by penetrating frequently and pressuring opposing quarterbacks constantly. Other strengths of the 1991 Red Raiders football team were great running and passing games that kept their opponents off balance.

This was Barnstable's second successful season in the new Division One Old Colony League. The 6-5 performance was especially satisfying because most observers knew it would be difficult to top last year's senior-dominated 7-2-1 campaign.

The 1991 season ended with just the right touch thanks to an outstanding performance by quarterback John Rogers. His heroics led Barnstable to a thrilling 19-6 victory over the Falmouth Clippers in the 103rd annual Thanksgiving Day game.

# BOYS BASKETBALL

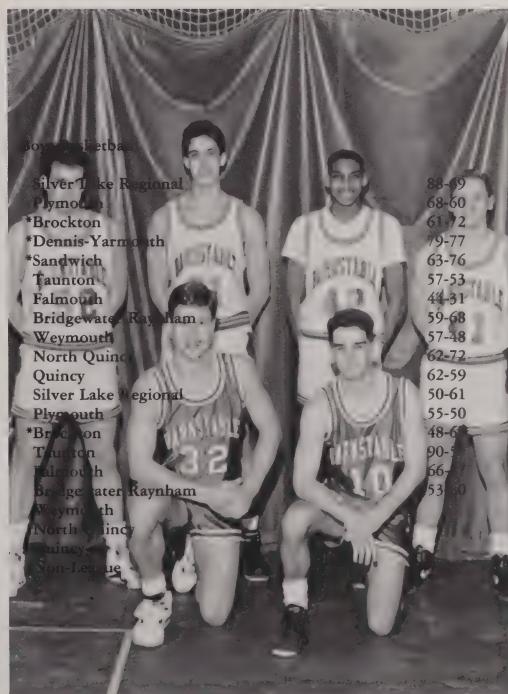

Front Row (l to r): Tom Antkowiak, Paul Petralia, Mark Eaton, Steve Camara, Ed Wilcox. Back Row: John Way, Chad Triveri, Jerry Cunningham, Joe Kennedy, Chris Driscoll.

The 1991 boys basketball team finished with an overall record of 12-8, its most successful season of Old Colony League play. The team was led by a potent senior starting line-up of Tom Antkowiak and David Henry at forward, Steve Camara at center, and Ed Wilcox and Paul Petralia at guard.

Co-captains Antkowiak and Wilcox attribute the team's success to a strong running game. The team effectively used traps and full-court pressure to dominate rival offenses and cause many turnovers. Point guard Ed Wilcox anchored the backcourt game for the Red Raiders, leading the team in forced turnovers. On the other end Antkowiak, Henry, and Camara controlled the boards for Barnstable. Junior sharpshooter Jon Way added his ever present three-point threat to the offense. Camara in particular was an indication of how far the team had come as playoff season began. A gruelling off-season of weight training and practice paid off as Camara drew raves from Coach Sullivan and double coverage from wary opponents. Despite being the focus of Old Colony League defenses, Camara continued his strong play under the basket throughout the season and looked to be a cinch for post-season recognition.

"I am very pleased with our record and am looking forward to the last three games of the regular season, hoping it will give us some momentum for the upcoming state tournament," Coach Sullivan added. Raider hoop fans couldn't wait for tournament time to rock the gym again.

The winter cheerleading team was led by captains Kathy Wolfe, Nadine Conway and Julie Pogorelc. They were supported by fellow seniors Amy Dillon and Erica Pellegrini.

The team had a large membership this season: 25 girls. The variety of their talents made the Raiders a strong and versatile team, and enabled them to achieve many complicated mounts and a dance routine.

The great season was full of spirit and enthusiasm due to the work of Coach Phoebe Weston.

Kathy Wolfe spoke for all her teammates when she said, "Coach Weston deserves thanks — and to next year's team, the best!!"

# FALL CHEERLEADING

Top Row: Denise Brodd, Vanessa Wilkins, Kristen Pierce, Anne-Marie Kelly, Julie Pogorelc, Lisa Fortenberry, Chrissy McCutcheon, Kristen Police. Middle Row: Bonny Pickens, Lianna Huff, Heather McEachen, Jenn Hassett, Anne Lortie. Front Row: Page Pina, Laura McEachen, Lindsey Smith.

This year's fall cheerleading team was led by co-captains Kristen Pierce and Anne-Marie Kelly. Thanks to them and fellow senior Anne Lortie, who "was always there when we needed her," according to Coach Laura Thompson, the girls had a great year. The other seniors, Jenn Hassett, Nadine Conway, Julie Pogorelc and Kristen Police, all contributed their best to the team all season long.

The team went on to compete in a fall competition in Springfield, where they arrived with great enthusiasm and high spirits. However, due to an unfortunate injury, the team was unable to place.

Last summer at Emmanuel College cheer and dance camp the team took five "Excellent" ribbons and the Most Improved Trophy. Co-captain Kristen Pierce was chosen as an All-Star. She then went on to perform in a London parade during Christmas vacation. The team had an outstanding season and wish luck to next year's girls!

# GIRLS BASKETBALL

Top Row: Coach Clarke, Aime Hansen, Tanya McIntyre, Alyssa Antkowiak, Dawn Cohan, Michelle Cunningham, Jamie Heppner, Aimee Doyle, Kate Haggerty. Kneeling: Barbara Becker, Jennifer Parkas, Lori Eisenhaur, Sharon Sexton, Jessica Bishopric.

The girls varsity basketball team was given a quick lesson in what lack of experience and injury can do to an otherwise talented team. The Lady Raiders had only three players returning from the more successful team of the year before. Co-captains Sharon Sexton and Jennifer Parkas, with junior Aime Hensen provided the only, albeit, minimal experience on the 1991-92 team.

The team combined for a couple of strong wins against Falmouth and Plymouth, proving to all that the talent was present. The fact that the team will graduate only three seniors, Lori Eisenhaur and the co-captains, proves that the future of Barnstable girls basketball is very hopeful. The season, despite the fact that the record may not have proven it, was a very successful one, as each player gained more knowledge of the game, and therefore a greater love.

Good luck to all from the class of 92!

In addition to the excitement of an intense season, three players were selected as OCL all-stars: Holly Meehan, Emily Eagar, and Heather McAlpine.

The team was headed by senior captains Sarah Taylor and Emily Eagar, who along with head coach, Heather Rogorzenski, lead the Raiders to their winning season. Senior players Sheila Reardon, Katie Sullivan, Karyn Lacey, Vivian Balodimas, Holly Meehan, Eagar and Taylor all contributed greatly to the victory parade. Meehan netted the most points and goalie Taylor notched eight league shutouts. # CROSS COUNTRY

Front Row: Tanya Miller, Barbara MacLachlan, Becky Curtis, Peter Crellin, Colin Kelley, Jay Wiseman, Coach Smith. Back Row: Erin Mastrangelo, Kirsten Yacek, Danny Souza, Scott Leeman, Ben Anderson, Kelly Glydon, Phil Mason.

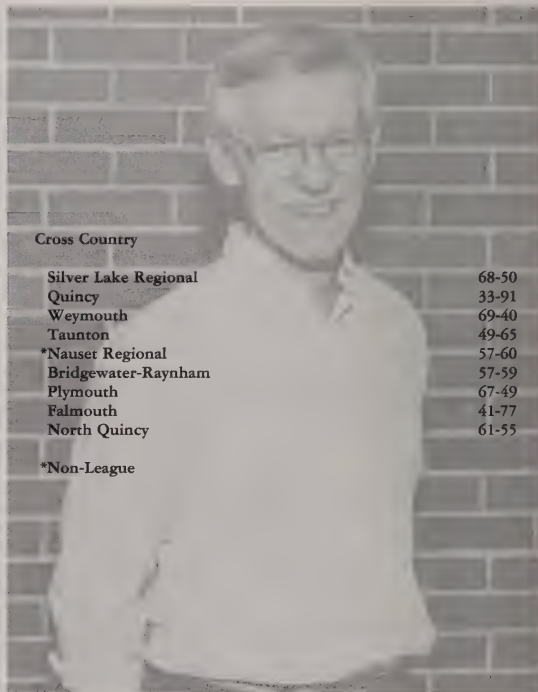

Fall 1991 was the best year for both teams in the four years that Don Smith has coached at Barnstable. The boys, led by Jon Way, Jay Wiseman and Colin Kelley, achieved a 4-4 record and again finished fourth in the Old Colony League just two points behind arch-rival Falmouth.

The girls team finished with a 3-5 record and were paced by the Fabulous Freshmen, a core group of Beth Murphy, Kara Nolan, Sarah Dager, Laura Cayer and Erin Mastrangelo. They were five of the group of nine freshmen girls who came out for the team: a strong nucleus for years to come.

The respective squads were led by Captains Shane Bassett, Karl Johnson and Captains Kelly Glydon and Becky Curtis. We will miss the seniors in this group — Shane, Karl and Kelly.

One highlight for the girls team was winning the Freshman Team Trophy at the Peter Jewell Memorial Invitational at Apponequet. On the boys' side Jon Way continued his outstanding improvement by going undefeated in dual meets, finishing second at the OCL by a few yards, and achieving these impressive finishes at invitationals at Franklin Park in Boston: 5th at Catholic Memorial; 2nd at State Coaches; 3rd at State Class. The latter qualified him for the All-State Meet for the second straight year; he finished a strong 17th despite being hampered by a heavy cold. He was named a unanimous OCL All-Star and selected by the Boston Herald to its All-Scholastic Team. He was named for the third straight year to the Cape and Islands Team.

"To me, all these athletes are heroes," said Coach Smith. "A hero is an ordinary person with an extraordinary commitment. Cross Country demands moment to moment commitment and guts. It's the best training I know for life because you get to train yourself, set goals, rely on friends and family like you did on teammates, and almost every day experience the thrill of victory — finishing a workout on the hills, repeating a speed distance on the track or visualizing your next meet. Congratulations to all — you are the best!"

# BOYS TENNIS

Front Row (l to r): Curtis Barry, Dave Parke, Alex Kepnes. Back Row: Graham Hawkins, Tom Antkowiak, Felipe Valasquez.

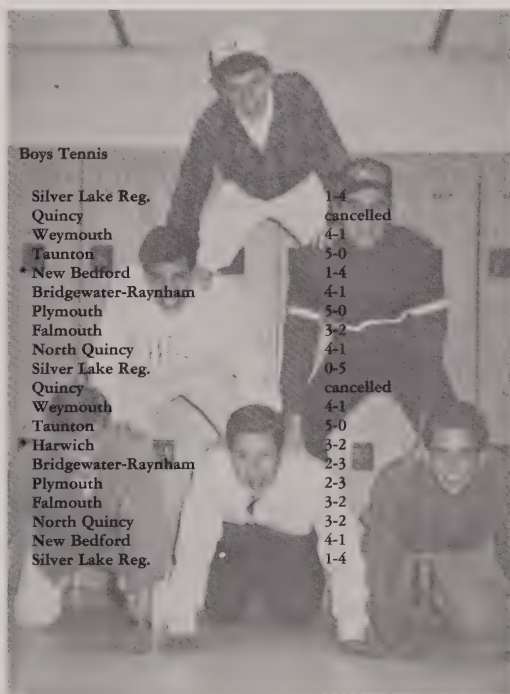

Last year the boys tennis team racked up a successful season. Although it was only its first year in the OCL, the team showed strength by beating arch-rival Falmouth twice and reaching the South Sectional quarterfinals, while going 12-6 overall and finishing second in the OCL.

Though the team lost six seniors last year, four of whom played varsity, this year's squad shows tremendous promise. The Raiders will be anchored by senior lettermen Tom Antkowiak, Graham Hawkins and Alex Kepnes. Alex Kervin and Felipe Velasquez add experience and depth. With the strong core of upperclassmen returning, the team should be competitive.

Coach Brendan Guttmann will be returning to lead the team into battle. Starting just his third year, he has already guided the boys to the South Sectional quarterfinals twice.

This year's main obstacles will be Falmouth, of course, but also Silver Lake, the only team to beat Barnstable twice during the season and the team which stopped them in the playoffs.

With a blend of experience and youth, the boys tennis team is sure to be a dominant force in the OCL this year.

The 1991 track team finished the season with a 3-6 record, a great improvement over their previous season's disappointing record of 1-6. The team's leading point scorers were Jay Boyne (high jump, 400 meter), Ed Wilcox (triple jump), Jon Way (1 mile, 2 mile), and Colin Kelley (800 meter, 1 mile). The 1991 team, composed largely of juniors and seniors, fared best in the distance events, collecting 149 out of a possible 162 points.

The team's most memorable victory came against Taunton. With much determination and team effort, the underdog Raiders overcame a 24 point deficit and beat Taunton 71-61.

"The team had a very successful season and were proud in both victory and defeat. The 1991 track season has been the highlight of my coaching career because we met our two goals: to have fun and win," said Head Coach Michael Bochman.

"I am very optimistic about the 1992 track season, as we return our top point scorers and face an exciting new schedule. The seniors who left built a strong foundation for the track program which boasted 59 athletes in 1991. The 1992 Red Raider track team will be very successful," stated Coach Bochman.

When Barnstable High School's girls varsity soccer team walked off the field for the last time on Friday, October 25th, the match was lost, heads were hung, and spirits were low. But the team had nothing to be ashamed of.

Competing in one of the state's toughest divisions, the Raiders, after only two years in the Old Colony League, won some games, surprised some teams, and unquestionably made their mark.

With a final record of 6-12, the girls were a "vastly improved team," coach Roy Cowing said.

Leading the defense this year were two freshmen, goalie Tania MacIntyre and sweeper Amanda George.

Senior fullback Jane Burger was another notable defender. "Very few people get by that kid," boasted Cowing. Quick senior fullback Jen Nickerson also drew Cowing's praise.

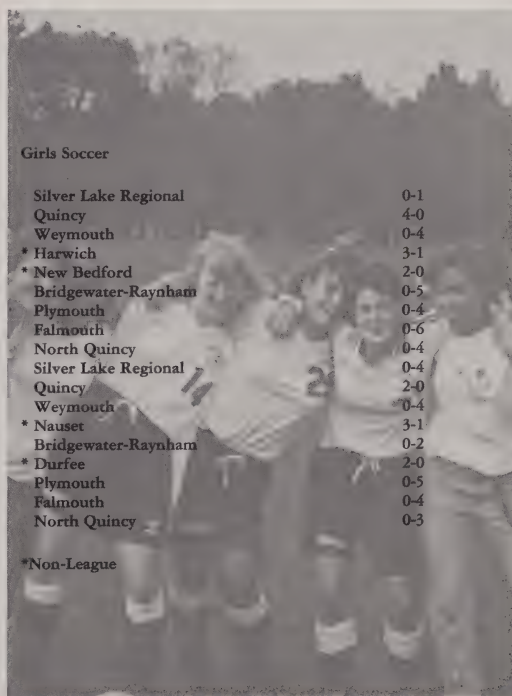

He further credited sophomore stopper Robyn Michonski as being "an outstanding player with tremendous speed."

On the other half of the field, freshman striker Sarah Johnson, who led the club in goals this year, teamed with senior co-captain Monique Baldasaro for a strong offense. Backing them up were freshman halfback Nicole Way, senior halfbacks Lori Eisenhaur and Laura Becker, and senior co-captain Jennifer Parkas along with junior Barbara Becker, who combined for an "aggressive mid-field attack," according to Lori Eisenhaur.

Overall, the season was a struggle to mix various types of players on the field and their adjusting to play with each other.

"We definitely have some good players," said Eisenhaur, "but we can't fit all the pieces in the puzzle."

The girls agree, however, that despite their record and numerous injuries, they had a successful season. Good luck in the future! Maybe you'll beat Silver Lake next year!

The 1991 volleyball team, under fourth year head coach Tom Turco, has come a long way from the days when the team cheer was "Beat Coyle!" This year's team had a regular season record of 15 and 5, the second best of all the fall sports. Each defeat came at the hands of superb teams: Case High School, undefeated in 104 straight games, New Bedford, the team that ended Case's four year win streak, and North Quincy, the Division 1 State Champions. Each of the four seniors contributed a great deal to the success of the team. Sybil Owens and Rachel Bird, both outside hitters, led the team in service percentage, Bird only faulting twice over the course of the season. Michelle Turner, a defensive specialist, led the team by example, and in spirit. Sharon Sexton, the power hitter of the team, broke various offensive records including kills in one regular season with 186. The state tourney saw the team halted by Case in the South Sectional semi-finals after becoming the first Cape team ever to beat Durfee, in any sport, during the quarter-finals. The fact that the team was made up of four seniors, four juniors, three sophomores, and two freshmen proves that the depth is there, and leaves the future looking very bright for Coach Turco and the rest of the girls. The seniors wish all of you the best of luck. Have a great time at double sessions in August!!

The year's soccer team did extremely well considering that the team was predominantly composed of juniors. 1993's soccer team should excel over this year's because of their varsity experience. However, the 1992 team had a long season full of obstacles, and completed it with a stunning victory over arch-rival Falmouth. Coach Harry Evans was disappointed with the overall record, but was pleased with the work accomplished. The captains of this year's squad were Ed Wilcox and Brian Caprio, who did an excellent job keeping the team together throughout the season.

What can you say about Barnstable High's varsity softball team . . . That they were great? Well, maybe not in the 1990 season, but records show that the squad came back to win seven in a row and qualify for the Division I State Tournament in 1991. They became great, competing with such high-caliber teams as Bridgewater-Raynham, New Bedford, and even Taunton's Kavihaug, despite their defeat to the eventual state finalist. Coach DeManche credits the girls on their perseverance.

According to senior catcher Jennifer Parkas, the 1991 season was "the best time of my life. I've never been on a team before where everyone got along; where practice was fun — even for Coach D." Other members share similar views.

"By the end of the season, everyone on the team was good. Every player was very much a part of every win," said senior first baseman Sharon Sexton.

The duo gave kudos to underclassmen Barbara Becker, Robyn Michonski, Cailin Fields, Allison Scherer and Kelly Griffin for their "much-improved play." They also praise senior outfielder Rachel Bird for her "incredible arm."

But not only did the team improve tremendously: four varsity players, Sharon Sexton, Jennifer Parkas, Sharon Hughes, and Allison Scherer extended their season to participate on the Cape Cod Breakers fast-pitch club that competed with district all-star teams this past summer.

As for this year's team, it is hard to say how well we'll do without the coaching of "Spanky" DeManche, who stepped down last spring. We will miss his constructive criticism, throwing of his hat, and love for us "guys." Good luck, BHS softball, from the class of 1992.

"Everyone involved in the program accomplished some sort of goal, be it team or individual," said Coach Rick Linehan of the 1991 girls track team. "I hope that the same type of attitude will continue into the upcoming season."

The team, which ended the season with a 4-6 record in the Old Colony League, had one OCL All-Star, Lori Eisenhauer, and one qualifier for the All-State meet, Beth Gadkowski, who ran the 400m. "Even though the state meet is for the cream of the crop, I would like to see more for next year's meet. I would hope to have at least five state qualifiers, and to finish in the top seven in the state relay meet."

With hard work, discipline and dedication Coach Linehan not only believes that the team can have an enjoyable season, but can be a potential league titlist in the process.

The 1991 varsity baseball team qualified for the state tournament for the eighth consecutive year, toppling North Attleboro 2-1, eventually being knocked out of the competition by Boston College High School in the quarter finals. Coach Dean Boger gave credit for much of the team's 13-7 record to the performances of pitcher Tom Antis, second baseman Ryan O'Neil, and John Moreshead, who was "injured most of the season but did very well as DH."

The returning 1992 ball club, in order to qualify again for the state tournament, must deal with its lack of varsity experience, according to Coach Boger. "Next season there will be ten sophomores on the varsity, because there is no freshman program. Over half the team will have no experience at the varsity level."

Still, Coach Boger was enthusiastic about the return of seniors Jay Michonski, Scott Swaylik, and Dave Henry, three-year varsity performers from whom Coach Boger expects great feats. Senior Brian Williams will also be important as a starting pitcher, while junior Steve Semprini will probably be moved into the infield as a returning starter.

The team's greatest competition remains with Falmouth, Taunton, and Bridgewater-Raynham, which, according to Coach Boger, are "all good baseball schools."

"This year's team accomplished a great deal. We've dominated the Old Colony League and we were contenders for the state championship. Although there weren't many seniors on the team, the underclassmen rose to the occasion and played very well," said senior swinger Rob Odom of Barnstable High School's 1991 golf team.

"Eric Nickulas and Terry Karras played exceptionally well this season and are definitely future All-Stars," the blond lady killer continued.

Tall, laconic senior Graham Hawkins was finally cajoled into admitting that the season was "an excellent one."

Four exceptional players, senior Tim Lynch, junior Terry Karras, and sophomores Eric Nickulas and Mike Scioletti accompanied Coach Bob Kingman to the Old Colony League Championships in Plymouth which ended in a league championship for Barnstable.

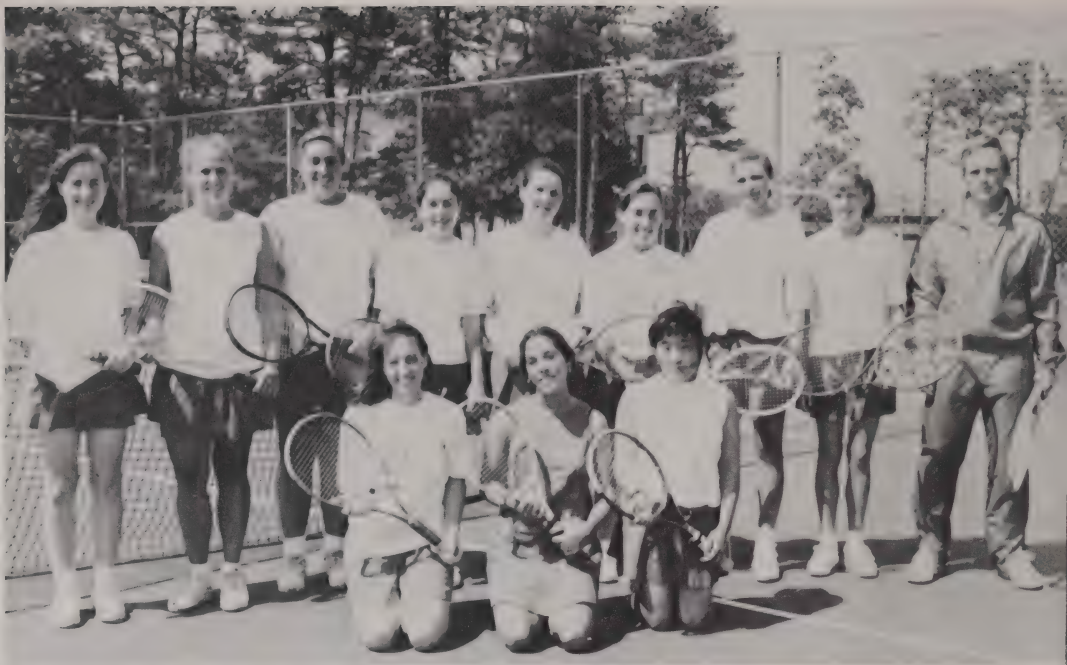

Overall, the team was cruising with an impressive 16-1 record at press time.

The 1991 girls tennis team managed to repeat their outstanding performance of the previous year by reaching the Division I South Sectional Finals, despite the loss of a major player midway through the season.

By the end of the season, the team had dropped only 12 sets in 18 games and finished with an overall record of 16-2. Only a loss to Hingham prevented a trip to the state semifinals.

"The team's depth was a major factor," said Coach Wayne Miles. "We had strong doubles as well as singles players."

Looking ahead, Coach Miles hopes to rely on Old Colony League All-Stars Katie Kilroy and Kelly Bryan, both seniors, to provide the backbone of next year's team.

J. Burnett, Coach Cook. *Front row* — Tom O'Donnell, Mark McWilliams, Todd Nickerson, Scott Mullin, Ben Smith, Eric Johnson, Reid Hayden, and Coach Higgins

In its second year as a high school sport, the lacrosse team transcended all expectations. The Raiders' debut in the Old Colony League was a modestly impressive 6-10. The feeling of the coaching staff was one of anticipation; they knew what the team's capabilities were, but they continually fell short. As the 1991 season came into full swing, the team was riding high. Despite an early loss to a tough division leader, the Red Raiders won seven of eight before hitting rough territory. There were two league losses that were decided in closing minutes, but hard practices paid off. The regular season ended valiantly: the last five games won and a home berth clinched in BHS lacrosse's first state tournament. The playoff game was two hours of pure emotion, but Peabody, the veteran team, dug a little deeper and pulled out the win. Looking forward to next year, the returning seniors are going to have to provide leadership. Many underclassmen will have to raise their level of play. In order to make it two tournaments in a row, healthy attitudes and hard work will have to prevail.

Success.

It's serious business.

It must be measured in

the quality of work and

the quality of life as well.

It is rarely accidental and

never accomplished without

great effort. It starts with

a good idea, but is ultimately

achieved through the hard work

of determined people striving

toward a common goal.

Freser Jane,

Our Friendship started back when we ran around in underoos, then it was our first bras and now, it's our graduation gowns. We've gone through life side by side, always knowing the other was there ready to help whenever we needed it. You have taught me about myself and made me feel good about myself. You have dried my tears, chased away my fears, and taught me that life goes on. You are a perfect best friend and I love you with all my heart. I am very proud of you and I will miss you next year. We won't be far from each other and we will be forever in each other's hearts! I love you!

Love,  
Shelly Bell

This block contains a large, dense collection of handwritten signatures and names, many of which are crossed out with a large 'X'. The names are written in various styles and orientations, filling the entire page. Some names are clearly legible, while others are partially obscured or written in a cursive script that is difficult to decipher. The overall impression is one of a crowded, busy space filled with personal identifiers.
